

# STRATEGIC BUSINESS DEVELOPMENT MANAGER (INTERNATIONAL ROLE, Antwerp based)

SKYLEGS is a booming aviation SAAS-company with his headquarters at the airport of Antwerp, Belgium and a second office in Łódź, Poland. Our team has two shared passions; technology and aviation.

To expand our business on an international scale, we are looking for a strategic business development manager with international experience.

## **WHAT WILL YOU BE DOING?**

- Come up with a strategic 5-year plan;
- Develop new business (national & international) as well as maintaining recurring business relations;
- Participate networking events to generate new leads.

## **WHO ARE WE LOOKING FOR?**

- Minimum 5 years of experience in sales of consultancy or services;
- A target driven and ambitious hunter who can open doors;
- Excellent communication skills in Dutch and English. Every other language is a plus;
- An outgoing personality with eagerness to learn;
- Passion for technology and aviation!

## **WHAT'S IN IT FOR YOU?**

- Indefinite contract with a competitive salary with extra-legal benefits plus company car;
- You will report directly to the partners;
- An entrepreneurial and international sales role.

**Interested?** Please send your resume and motivation to [jobs@skylegs.com](mailto:jobs@skylegs.com)
